Going paperless with your board has never been easier

Organisations around the globe are experiencing the benefits of the Boardvantage board portal called MeetX. You can too.

Automate the board meeting process

With dedicated workflows and support for last-minute updates, MeetX automates boardbook creation and distribution. Board members view the particulars of the current meeting or quickly reference relevant items from previous meetings. Any updates are flagged with visual cues.

Go beyond boardbook access

When it comes to eSigning consents, voting on resolutions, or filling out self-assessments, MeetX makes all board process paperless.

Make online-to-offline transparent

MeetX auto-syncs its content so board members have ready access to their documents, private notes, approvals, and surveys, whether online or offline. Even annotations made offline sync back to the server when the board member is back online.

Cut cost, time and paper

With MeetX, you no longer have to print, ship and track board materials, and no one has to lug them around.
