

## Course Outline 課程簡介

### Valuation and Compliance for Corporate Transactions

In May 2017, the Securities and Futures Commission (SFC) issued a guidance note on listed company directors' duties and a circular to financial advisors in relation to valuation in corporate transactions, as well as a statement to valuers on their liability for disclosure of false or misleading information.

- Roles and responsibilities of Directors
- Overview of Valuation Approaches
- Key considerations under each approach
- Case Study
