Those Who Recommend the Course

"For over three decades, the University of Cambridge Institute for Sustainability Leadership has worked to shape and support the leadership that will be required to transform the way we run our economies and societies, to recognise the limits of the natural world and to ensure the wellbeing of citizens. We engage with the most influential leaders internationally, from regions to organisations and individuals that can have significant impact upon sustainability challenges and who have the commitment and capacity to lead change."

Ms Lindsay Hooper, ED, Education, University of Cambridge ISL

"Directors and senior executives have been attending training programmes of The Hong Kong Institute of Directors over the past 20 years. We are pleased to launch the Global Directorship Programme as our highest level of qualification in directorship education. This is a high-standard Directorship programme that focuses on sustainability as well as provides participants with networking and learning with fellow attendees at Cambridge University."

Dr Carlye Tsui BBS MBE JP, CEO, The Hong Kong Institute of Directors
